Dear Zaeem Sahib Majlis,

السلام عليكم ورحمة الله وبركاته

Distribution to public libraries

"Introductory Letter" is attached. Please print it after adding your name, address, phone no. etc., sign & present it to Library In charge in your area. They may accept it or may refer you to person In Charge in the Council Offices. If so, please arrange to see this person, if required, and present the letter. If the books are accepted please note:

In libraries, if a book is not issued to anyone this is taken out of library shelf after a designated period. In order to avoid this situation we suggest:

- ✚ Arrange a visit to library after one month wherever it is possible (Ideal, if a nearby Nasir brother becomes member of library) to check whether books have been issued, if not then books can be drawn in his name. In this manner books will not be redundant & remain in circulation. Secondly, we also shall learn if the books are being issued or not?
- ✚ As a follow up (if possible) we suggest visits should be arranged at an interval of first month, three months & six months to learn how many times books have been issued & what is the level of interest among public.

In many libraries there is a stand reserved for new arrivals, where new books/magazines are kept for a week or so. If books are accepted please see that they are kept on this shelf as it attracts public interest.

For further help and clarification please contact Mr Afzaal Rabbani, Add Qaid Tabligh, 07448 139078. Please submit the report regularly on the attached form.

Wassalam
