FAZL A TAHIR

QAID TALIM UL QURAN- UK.

Majlis e Shura decision 2017 in relation to Taleem ul Quran.

Proposal

Teaching the Holy Quran is one of the basic responsibilities of Majlis Ansarullah. Majlis e Shura is invited to devise a comprehensive plan for teaching the Holy Quran to Ansar and their dependents.

(National Amila UK)

Recommendations of the Sub-Committee

The subcommittee accepts the spirit of the proposal and makes the following recommendations:

1. There is a need to remind and motivate Ansar about the importance of learning the Holy Quran and its meanings by conveying the instructions from the Holy Quran, Ahadith, the writings of the Promised Messiah (AS) and the Khulafa.
2. There is need to pay attention to work in 3 areas including
 - a. Learning the Holy Quran with correct pronunciation
 - b. Learning with its meaning
 - c. Encouraging Ansar to learn its commentary

3. To teach the correct pronunciation and translation, the local Muntazmeen Taleem Ul Quran should identify those Ansar who are willing to learn and give time to teach others. They should also organise classes for their training. In case it is not possible to find a suitable teacher at the local level, a request should be made to the centre to provide teachers.
4. The National Qaid Taleem Ul Quran should prepare a database and monitor the progress of preparing the teachers at the local level
5. At the local level, Ansar should take part in the Waqfe Arzi scheme to help in holding Taleem Ul Quran classes and should be monitored at local and national levels
6. According to the need of each local Majlis, Ansar should make use of all available resources including modern technology such as WhatsApp, Skype, phone appropriately and identify any gaps to inform the centre and seek advice.

7. Facilities already available to teach the Holy Quran by the Jamā'at at the national and international level should be made known to each Nasir who should utilise these facilities for example MTA.
8. Local Muntazmeen Taleem Ul Quran should also ensure to remind and motivate those Ansar who are not paying due attention to learn the Holy Quran themselves and teaching it to their dependants.
9. Ansar should take lead in organising Quran classes but if such classes are already organised by Jamā'at then Ansar should be encouraged to attend such classes along with their dependants.
10. To encourage Ansar learn the deep meaning of the Holy Quran, quiz and seminars should be organised at local / regional levels.

”تم قرآن کو تند برسے پڑھو اور اس سے بہت ہی پیار کرو ایسا پیار کہ تم نے کسی سے نہ کیا ہو کیونکہ جیسا کہ خدا نے مجھے مخاطب کر کے فرمایا کہ الْخَيْرُ كُلُّهُ فِي الْقُرْآنِ کہ تمام قسم کی بھلائیاں قرآن میں ہیں۔“

’ہر احمدی کو اس بات کی فکر کرنی چاہئے کہ وہ خود بھی اور اس کے بیوی بچے بھی قرآن کریم پڑھنے اور اس کی تلاوت کرنے کی طرف توجہ دیں اگر ہم قرآن کریم کو اس طرح نہیں پڑھتے تو فکر کرنی چاہئے اور ہر ایک کو اپنے بارے میں سوچنا چاہئے کہ کیا وہ احمدی کہلانے کے بعد ان باتوں پر عمل نہ کر کے احمدیت سے دور تو نہیں جا رہا۔“ (خطبہ جمعہ 24 ستمبر 2005ء)

Hazrat Khalifatul Messiah V **ايداه الله تعالى، نصره العزيز** says:

Every Ahmadi should take responsibility that he and his family should take interest in reading and reciting the Holy Quran. If we are not reading the Holy Quran the way it is required to be read then we

should be worried and each individual should be asking this question to himself , that in spite of being called an Ahmadi aren't we deviating from the path by not following the commandants?

The programme is mainly based on the recommendations of the Shura proposal 2017. Muntazmeen and Nazim Tā'leem Ul Quran should take active part in implementing this programme.

1. There are two documents prepared & emailed to all Zo'ama & Nazmeen A'lā:
 - Importance of Learning & Teaching The Holy Quran.
 - Links to Learn the Holy Quran.

All Ansār should be sent these documents & these should be used to motivate Ansār to learn the correct reading, translation & commentary of The Holy Quran.

1. To motivate Ansār to learn and teach the Holy Quran, the importance of its learning should be highlighted throughout the year. There should be at least three, monthly meetings in the year where the importance of learning and teaching the Holy

Quran should be discussed. The leaflet prepared by the Qiadat Tā'leem Ul Quran should also be provided to all Ansār.

2. To encourage all Ansār to read the Holy Quran with translation regularly. Each Nasir should be contacted while filling the monthly reports. This will enable us to have an accurate report and to remind those Ansār who do not recite the Holy Quran regularly to do so. To make this practical, Sa'iqeen can be used.
3. To encourage Ansār to recite the Holy Quran correctly and to know the translation a regional teacher training class should be organised monthly in which each Majlis should be represented by at least two Ansār. Those Ansār should then take classes in their Majalis to teach Ansār. The names of such Ansār who are attending the regional classes regularly should be submitted to Qiadat Tā'leem Ul Quran in the centre.
4. The syllabus to learn the split-word translation for 2021 is parts one and two of the Holy Quran.
5. The **syllabus** to read the commentary in 2021 is pages 50-191 in Tafseer-e-Kabeer (Urdu) and pages 30-107 of the five-volume

commentary (English). To encourage Ansār to read the above, quiz competitions should be organised (preferably separate for English and Urdu) in the Majalis as well as within regions. These competitions can also be held Majlis and region Ijtemas.

6. Majalis/Regions should also take the initiative to teach the Holy Quran, its translation and its commentary by using any other appropriate method, for example, WhatsApp.
7. Ansār in each Majlis should be encouraged to take part in the scheme of Waqf-e-Arzi in the field of teaching the Holy Quran. At least one Nasir from each Majlis should take part in this sacred scheme.

Note: The position of each Majlis & Region will be judged after receiving the reports concerning the above points.
