Tabligh Plan 2019

يَا أَيُّهَا الرَّسُولُ بَلِّغْ مَا أُنزِلَ إِلَيْكَ مِنْ رَبِّكَ ط (المائدة 68)

O Messenger! Convey to the people what has been revealed to thee from thy Lord; [ALMAIDA-68]

وَمَنْ أَحْسَنُ قَوْلًا لِمَنْ دَعَا إِلَى اللَّهِ وَعَمِلَ صَالِحًا وَقَالَ إِنَّنِي مِنَ الْمُسْلِمِينَ - حَمَّ السُّجْدَةِ 34

And Who is better in speech than he who invites men to Allāh and does righteous deeds and says, 'I am surely, of those who submit?' [HA MIM AL-SAJDAH-34]

The Promised Messiah عليه السلام says: "I have been sent for the [sole] purpose of conveying this message to God's creation that among all the religions in the world, the religion which is concordant with God's will is the one which the Holy Qur'an has brought forward; and the door that leads to the house of salvation is [to claim] that there is no God but Allah and Muhammad ﷺ is His prophet".

The Promised Messiah عليه السلام held a strong passion for Tabligh. He says:

"If it is up to me, I will go house to house to preach the true religion of God and save people from this destructive *shirk* and *kufir* which has spread throughout the world. If God Almighty teaches me English, I myself will roam around [the earth] and do Tabligh. And I will spend all my life doing Tabligh even if I am killed [fulfilling] this endeavor". (Malfozat, Vol:3 Page:291-292)

The firm faith and belief the Promised Messiah عليه السلام held on his mission can be comprehended through these words:

"I can openly claim with certainty and conviction that I am on the right path and with God Almighty's grace I will prevail in this endeavor. For as far as I can perceive I find the world in support of my truth and it is nigh that soon I will attain a glorious victory. Because in my support is another voice that is speaking, and there is another helping hand that is assisting my hand; the world does not perceive it but I can see a heavenly spirit speaking within me". (Rohani Khzain, Vol:3 Ozalaoham Page:403)

His Holiness Hazrat Mirza Masroor Ahmad ايده الله تعالى بنصره العزيز pertaining to Tabligh said: "Every Ahmadi who has taken firm oath to the Promised Messiah^{as}, it is his duty to fulfil it and spread the message to every individual of this nation which the Promised Messiah عليه السلام has vouchsafed to him. (Friday Sermon: 22 September 2006)

Spread and preach the truth and guidance to the world which you have accepted. This should not be the concern if people accept it or not. The message should be conveyed to every citizen; Every Ahmadi should convey the message to citizens of every country. This is the work which the Promised Messiah عليه السلام has imparted on us". (Concluding Speech at Jalsa Salana Belgium 2018)

If we will be asked, it will be this much, which Allah the Exalted will ask us, that have we conveyed the message? Or why have we not fulfilled our obligation to do Tabligh (preach)? Or why have we not acted on the commandments of Allah the Exalted? Further he said: To continue to work consistently is our job, our work is to preach, to convey the message. To impart on people the beautiful teachings of Islam is our job and we must continue to do so. (Friday Sermon: 8 September 2017)

Our beloved Huzoor ايده الله تعالى بنصره العزيز whilst talking at Ansarullah Ijtema 2009, said: "A large number of Ansar have plenty of time on hand. Instead of [wasting it off by] sitting at home and bothering the family, Ansarullah needs to devise a scheme to allow them to utilize their members for Tabligh and the aforementioned Ansar should present themselves in this endeavor and provide a helping hand in this field".

Tabligh Eid Street Party: Guidelines

2. During the whole process, always keep in mind that you are indirectly representing the Jama'at; your actions/behaviour should therefore always reflect that we are peaceful and law-abiding citizens of the society.
3. Start planning well in advance and take your neighbours/resident of the street/area in confidence to avert any chance of opposition to the event.
4. Contact local council for information about road closure procedures. Application needs 3 to 12 weeks in advance for permission from the council, traffic/Highways departments to temporarily close the road. Council road closure teams have a key role to play. They are often the first point of contact and their procedures are critical in supporting residents to make the necessary arrangements.
5. The council or you will have to consult the fire, ambulance and police.
6. Try to involve other people/residents of the street in the activity and plan for of all ages, e.g. swap things, food, games, chairs etc to share, and also make sure that the event is not too noisy, late or long.
7. Send reminders for Eid/Street party for removal of the cars a week before the event and display legal order for road closure if involved. Think about alternative traffic routes or if it is possible to close the road and move cars out from only part of a road.
8. Make sure to clean and open the road/street at end of the event.
9. Permission to obtain to seal the street is easy for closed End.

10. If the permission to close the street/road is not granted, you may plan a **Street Meet** without sealing the road. Informal 'street meet' on a driveway, parking area, front garden or end of a cul-de-sac does not require permission from the council as it is on private land.
11. A few neighbours can be invited over for the picnic in a local park for which formal permission from Council's Parks Department is not required with **no BBQ**.
12. **Neighbourhood Watch and Street parties** - Neighbourhood Watch groups often hold street parties to get the residents nearer. In such events, there could be a chat about the different issues. We can join and work together with a view to at least build the contacts and confidence with neighbours and local residents.
13. Make sure that you have Public Liability Insurance, as it is likely that the council may ask for a copy of it. (Copy of Public Liability Insurance has been provided to Regional Nazim-e-Aala/Regional Nazim Tabligh).
14. Matters of **Handshake with Ladies** and/or **Pardha for Lajna/Nasrat** must not be compromised, in any case.

3. Choose 'Subject of the Event' which must be neutral or relevant to current issues and present the event as a **Community Event**.
4. **Do not** comment on political matters being representative of Jama'at. Always give comment as your own comment/view and this Never is portrayed as the viewpoint of Jama'at, in any case.
5. Send us report published in the media citing/mentioning its full reference so that anybody could navigate and watch this on his own, if he desires so.
